the charge is hurting the chils without the mothers consent

Do you really think storage space is an issue in a device that allow you to have removable media? I guess it gives you more space to install apps or a bigger os

About the only reason I find this story interesting is the hypocrisy of the Ford's stand on drugs now

Respectively, launaea procumbens methanolic extracts (lpme) after 48 h of ccl4 treatment as above

If you are utilizing it as an oral compound you can take a maximum of 75mg each day, but watch out and monitor the side effects.
